

Community Notes

Vicki Smith Memorial Fund

Soroptimists International of Ashland has received \$4,750 in contributions to the Vicki Smith Memorial Fund. Vicki Smith was a member of the Ashland organization for almost 30 years. Smith passed away March 16, 2010, and because of her passion for helping young adults, \$4,000 was donated to Ashland High School for their homeless teen work program and \$750 to the Ashland Street Outreach Project of Community Works. The Ashland High School program works with local businesses to hire homeless teens, currently enrolled in Ashland High School. Community Works is involved with helping teens identify available services and assisting with immediate needs.
