# SOROPTIMIST INTERNATIONAL

While Soroptimist Clubs have been in existence since 1921, our Rogue Starlight club is the newest of these groups in the Rogue Valley.

Our pledge to promote friendship, personal achievement, community service, professional integrity and love of country is our common goal. In every way, we try to make a difference for women. For friendship and fun, get involved!

As a member of our Rogue Starlight Soroptimists, you will join other local business and professional women who support Soroptimist International efforts such as worldwide disaster relief and helping women around the world who are victims of war. As part of this larger global organization, we share a particular focus on human rights issues and concerns regarding domestic violence as they relate to women.

## ROGUE STARLIGHT MEMBERS

Join other Rogue Valley club members to raise funds to support women's issues. We also participate in many community wide efforts to improve the lives of woman and girls such as:

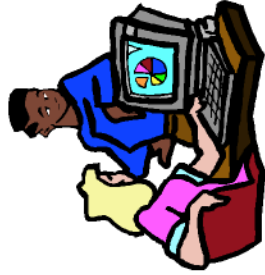

### KIDSPREE

An annual program partnered by JC Penney which gives children in low income families a good start for the school year by providing a one-on-one shopping experience to purchase new school clothes.

### PROJECT FISH

Our signature project based on the paraphrased adage: Give a woman a fish, feed her for a day; teach a woman to fish, feed her for life. We work with women in the On-Track Substance Abuse Programs. We participate in weekly meetings, offering aptitude tests and information in various other areas of interest. We encourage women to be self-reliant by completing their GEDs and/or continuing their education so that they will be able to support themselves and their families.

## WOMEN'S OPPORTUNITY AWARDS

An area where Rogue Starlight Soroptimists shine. We offer monetary awards to aid women heads-of-households who seek to improve their economic status as they gain additional skills, training and education.

## MAKING A DIFFERENCE FOR WOMEN

Every year our club honors a woman from our community who is working to improve the lives of women and girls. Some women work to improve conditions for women and girls through their personal or volunteer efforts; others do so through professional avenues. The Soroptimist Making a Difference for Women Award is designed to honor these women.

## ROGUE STARLIGHT SOROPTIMISTS

Help provide funding for all of these endeavors and more by holding a Holiday Auction and Social, and a Spring Fundraising event.

Community support for these events has been overwhelming. Please join us in helping us support our Rogue Valley women in need as well as helping our International Community.
